

Professional Development

Lead Support Programme

Do you aspire to or currently lead primary maths Professional Development?

Get accreditation with the NCETM PD Lead Support Programme

This 3 day programme provides the opportunity to:

- debate and explore priority areas in primary maths learning and teaching
- plan, undertake and evaluate work with a group of teachers as part of an interim task
- debate and explore what makes good maths -specific CPD
- share good practice in maths CPD with fellow colleagues and become part of a professional community of maths PD leads.

Presented by: Kevin Beston (PD Lead/SLE)

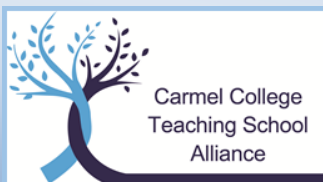

Anthony McGeeney (SLE)

On successful completion of the programme, colleagues will be officially endorsed by the NCETM as an accredited Professional Development lead. The programme is free of charge.

Venue: Carmel College Darlington

Date: To Be Confirmed
